

**THE YARMOUTH (ISLE OF WIGHT) HARBOUR COMMISSIONERS
NOTICE TO MARINERS
YARMOUTH HARBOUR**

NEW WESTERN YAR SWING BRIDGE OPERATING PROCEDURES

No: 10/2009

Date: 18th December 2009

Mariners are advised that as of 1st January 2010 there will be a new Western Yar Swing Bridge operating procedure in force. There is a user's guide available to download from http://www.yarmouth-harbour.co.uk/notice_to_mariners.php or <http://www.yarmouth-harbour.co.uk/noticeboard.php> and copies will be sent out to harbours, ports, marinas and clubs across the south coast.

If you intend to use the Western Yar Swing Bridge in the future, you will need to have read these procedures before you plan for your transit.
