

**THE YARMOUTH (ISLE OF WIGHT) HARBOUR COMMISSIONERS
NOTICE TO MARINERS
YARMOUTH HARBOUR**

SUMMER MOORING BUOYS

No : 4/2010

Date : 04th April 2010

- Three rows of unlit small craft mooring buoys have been re-laid for the summer to the west of the entrance to Yarmouth Harbour.
- These buoys will be secured by ground chains running between them in an east-west direction. All mariners should avoid anchoring within close proximity to these buoys.
- Please be advised that there is restricted depth of 1.4m on the following buoys:

**M11
M12
M13
M14**
