

MAKE YARMOUTH FASTER!

SAY YES TO HIGH
SPEED BROADBAND

A unique opportunity has arisen whereby high speed broadband could be made available in the Yarmouth Exchange area which includes Ningwood, Wellow, Thorley, Westhill and Yarmouth.

This initiative has successfully made it through to the final stage to receive funding but to make it happen we need to demonstrate widespread demand and support for this project from local residents and businesses.

As the allocation of this funding is on a competitive basis we are asking for your help to simply complete an online document in support of this project.

Confirm your support, without commitment to taking up the broadband visit

www.makeyarmouthfaster.com

complete the very short online form by Tuesday 31 August 2010

With enough local support we can secure this funding to the Yarmouth Exchange area by way of a Community Interest Company. This company will operate a not for profit service offering much higher speed broadband at a comparable cost to existing offerings.

Significant numbers of domestic and non-domestic lines have poor connectivity in the Yarmouth Exchange area

*Completion of the online form will not constitute a commitment or obligation to join the initiative but merely shows your support
All information will be treated in the strictest confidence and will only be used for purposes of this funding bid.*

not for profit: Broadband for the Isle of Wight by the Isle of Wight

INCREASED BROADBAND SPEED · LOCAL CONTRACT SUPPORT · COMPETITIVE PRICE

CURRENTLY THE MAXIMUM SPEED YOU CAN ACHIEVE IS 8Mbps

WE WILL INCREASE THIS TO 24Mbps WITH THE INTENTION TO PROVIDE A MINIMUM OF 6Mbps

If you do not currently have access to the internet simply complete the form below and return to one of the registration boxes found at Kingston & Grist or Lawrence Mitchell Jewellers in Yarmouth
