REPAIR WORKS ON YARMOUTH PIER

No : 06/2018

Date : 29 January 2018

NOTICE is hereby given that essential maintenance works will be commencing on Yarmouth Pier on Thursday 1 February 2018.

Marine plant and crew will be working alongside the Pier.

The works are expected to last approximately 4 months. A Notice to Mariners will be issued on completion of the works.

The Pier Head F. R. lighted beacon in position 50° 42' .514 N 001° 29.975 W will be removed for the duration of the works.

An exclusion zone of 30 metres will be in force for the duration of the works (refer to Fig 1).

Three yellow special beacons listed below will mark the exclusion zone in the vicinity of the Pier Head and will be on station from Monday 29 January 2018 for the duration of the works.

Latitude (N)	Longitude (W)	Mark	Light
50° 42' .583	001° 29' .961	Yellow Special Beacon	Fl.1.5s
50° 42' .612	001° 29' .873	Yellow Special Beacon	Fl.1.5s
50° 42' .587	001° 29' .807	Yellow Special Beacon	Fl.1.5s

Fig 1

All mariners are advised to proceed with caution when navigating near the areas shown above.

A listening watch will be maintained on Ch.68 Yarmouth Harbour.

The Pier will be closed to pedestrians and anglers for the duration of the maintenance works.
