

THE YARMOUTH (ISLE OF WIGHT) HARBOUR COMMISSIONERS
TERMS FOR
LONG TERM VISITOR (LTV) MOORINGS

1. THE TERMS FOR LTV MOORINGS

- 1.1. If you accept our offer of a mooring we will offer to you a mooring from time to time and you are permitted to use it for the Boat shown on the application form for the Period.
- 1.2. LTV moorings are offered subject to available space within the Harbour moorings. Therefore, the 'anticipated dates' shown on the application form are intended for information only and are not intended to be binding on either party.
- 1.3. Moorings are granted for an initial period of at least one month and will continue until terminated by you or us in accordance with these Terms. The initial period, the Minimum Term, shall be the period from the date agreed between us that we will make a berth available for you to use and up to the end of the following calendar month.
- 1.4. An LTV mooring confers no right on you for any other form of mooring or right, when the LTV Period ends.
- 1.5. You will pay to us the Mooring Charge throughout the LTV Period in accordance with these Terms.
- 1.6. You warrant to us that the following are true and will remain true during the LTV Period:
 - 1.6.1. that you are over 18 and the owner (whether jointly or as sole owner) of the Boat and have possession and control of it;
 - 1.6.2. that the Total Overall Length of the Boat is as stated in the LTV Application Form.

2. YOUR GENERAL OBLIGATIONS

- 2.1. You must use the mooring only as expressly permitted by these Terms.
- 2.2. Your Boat must be named or have other means of identification and have the name/other means of identification displayed conspicuously on it.
- 2.3. You must keep your Boat in a sound watertight and seaworthy condition to the reasonable satisfaction of the Harbour Master. If we believe that the Boat is not sound or seaworthy, we reserve the right to require you to remove the Boat from its mooring and from the Harbour until the Harbour Master is satisfied that it is structurally sound and poses no threat to safety, the environment or safe navigation within the Harbour.

If the Boat shall for any reason sink within the Harbour, we shall be entitled to raise and salvage it and recover from you the proper charges, fees and expenses in respect thereof. Private salvage will be permitted provided that you obtain our prior approval to the method and timing of such salvage.
- 2.4. No work can be done at the mooring if that work will or might cause nuisance or annoyance to other Harbour users, or interfere with our activities. Any maintenance, repairs or other work to the Boat carried out at the mooring must be undertaken in compliance with the Harbour Rules. (By way of example only, permits must be obtained from us for any hot work, or if anyone wishes to go into the water to undertake work.)

- 2.5. You will take reasonable precautions at all times to ensure that no person or vessel using the Harbour is placed in jeopardy by any action or failure to act by you, whether through the use of the mooring by you or by any master of your Boat, or any of your crew members, agents, guests and/or invitees. You shall at all times ensure that everyone using or visiting the Boat (whether invited by you or others) are made aware of and comply with the LTV Terms and Harbour Rules.
- 2.6. You shall ensure that all halyards and other rigging are secured so as not to cause nuisance or annoyance to us or to other Harbour users.
- 2.7. You shall not refuel your Boat in the Harbour other than at the authorised fuelling station or by other means which have been authorised in writing by us. You must comply fully with the terms and conditions of any such authorisation. Throughout refuelling, all naked lights must be extinguished, engines must be stopped, smoking is prohibited and mobile phones and other mobile communication devices must be switched off.
- 2.8. Without in any way limiting the LTV Terms, you shall at all times:
 - (a) observe and perform all statutory and other obligations relating to the Harbour;
 - (b) observe and perform these LTV Terms and all Harbour Rules from time to time in force; and
 - (c) comply with all lawful requests made by the Harbour Master and Harbour employees.

You acknowledge that this LTV mooring does not in any way prejudice or limit the powers given to us by the Harbour Revision Order(s), General Directions or Byelaws or other applicable Harbour rules or regulations from time to time in force or by law.

3. MOORING CHARGES

- 3.1. Mooring Charges are payable monthly in advance.
- 3.2. At the beginning of the LTV Period, we will calculate the Mooring Charges due for the number of days from the date that the LTV Period begins until the end of that calendar month, calculated on a pro rata basis for the days in that month. Subsequent Mooring Charges, up to and including the month of departure, will be for whole calendar months. For the avoidance of doubt, pro rata charges do not apply in the month of departure. The first invoice to you will be for the pro rata charge for the relevant portion of the first calendar month and the subsequent full calendar month. In all other circumstances, the Mooring Charges will be invoiced for each calendar month in advance of the relevant month to which they apply.
- 3.3. We reserve the right to charge for the supply of electricity where we consider the costs to be significant.
- 3.4. All payments must be made within 7 days of the date on which they are demanded, or by such later date as we tell you. VAT will, where applicable, be charged by us at the relevant rate and this will be payable by you.
- 3.5. We may charge you for our administration costs and any costs we incur where we are required to raise with you any breach of these Terms (including but not limited to late payment). Details of our charges are set out on our website.

3.6. Recalculations of Mooring Charges

- 3.6.1. If we terminate the LTV mooring by notice given under paragraph 8.2 below, the Mooring Charges paid by you in advance shall be recalculated on a pro rata basis for the days that the LTV Period has continued. Any money paid by you in advance in excess of that recalculated amount shall be refunded by us to you.
- 3.6.2. If the type of mooring is changed, we will recalculate the Mooring Charges due from you and notify you accordingly. We will refund or set off any credit against future Mooring Charges. If money is owed by you to us, you agree to pay promptly such additional sums due.
- 3.7. Other than refunds made under paragraph 3.5 above, no refunds or reduction in charges, and no extensions of time for payment or of the LTV Period, will be given if your Boat is away from the mooring for a period of time.
- 3.8. If you wish temporarily to moor in a different location (e.g. on a Finger or Walk Ashore berth in stead of Non Walk Ashore), you must pay the overnight visitor rate for that location in addition to your Long Term Visitor Mooring Charges.
- 3.9. If you are late in making any payments, we may charge you interest at 4% above the base rate of NatWest Bank plc from time to time, with interest accruing on a daily basis from the date on which payment was due to the date on which payment is received by us.

4. THIRD PARTY INSURANCE

- 4.1. You must maintain at all times a suitable policy of insurance, including in respect of public liability and third party liability cover, for claims for damage to persons or property. This should cover you, your Boat and the master, crew members, agents, guests and/or other invitees of you or others. Such insurance shall be for not less than £2,000,000, or such other minimum sum as we may require from time to time. Where appropriate, you must also hold employers liability insurance cover to at least the statutory minimum. You will provide satisfactory evidence to us of such insurance within 7 days of being requested to do so.

5. ALLOCATION OF AND RIGHTS TO A MOORING

- 5.1. We will tell you which mooring you may use for your Boat from time to time.
- 5.1.1. We may offer moorings in our discretion and change the mooring offered to you to another mooring at any time.
- 5.1.2. Where we change your mooring, we will try to move you to a mooring of similar type, but you acknowledge that this will not always be possible.
- 5.1.3. You are not entitled to the exclusive use of the mooring. Depending upon the location and type of mooring, the mooring may be required to be shared, for example by rafting, with other users (including visitors and annual mooring licence holders).
- 5.1.4. For operational reasons, for example periods when special events such as the Taittinger Regatta, Gaffers Regatta, Dredging operations are underway, we may require you to relocate your vessel to other parts of the harbour or in exceptional circumstances temporarily remove your vessel from the harbour.
- 5.2. An LTV Mooring does not confer upon you any ownership, right or interest whatsoever over or in connection with the mooring or any other property belonging to us other than the right to moor your Boat at the mooring subject to these Terms and to have such access (if any) to the mooring as may be available from time to time.

- 5.3. We will have the right to use the mooring at any time when it is left vacant by you. You must expect the mooring to be used by us if your Boat is away from the mooring for more than 24 hours. We ask you to let us know when you are expecting to return, so that we may try to ensure that the mooring is available to you on your return. If you have not told us, or the Mooring is not readily available when you return, we will find you a temporary mooring until your mooring is available.
- 5.4. We reserve the right to board, moor or re-moor your Boat or take any action in respect of your Boat or move your Boat or any gear, equipment or other goods in accordance with these LTV Terms, or at any time for reasons of safety, security, emergency, to prevent or stop a nuisance or otherwise for good management of the Harbour and our premises.
- 5.5. Other than moving your boat for our own operational reasons, if we take action under paragraph 5.4. or if we have asked you to take action in respect of your Boat, gear, equipment or other goods and you do not and we take such action, then in either case we may charge you for taking that action on your behalf in accordance with our usual charges. By way of example, this would include moving a Boat or other equipment left in the Harbour, or emptying a Boat of water.
- 5.6. If for any reason (including navigational, emergency or safety reasons) we direct you to move your Boat, you shall immediately do so. You shall return the Boat to the (or our nominated alternative) mooring only when we direct you to do so. If you do not move your Boat as directed by us under this paragraph 5.6, then without prejudice to any other rights that we may have, we may move or cause your Boat to be moved at your sole risk and expense. We shall be entitled to charge you for our services or those of third parties in doing so.

6. ASSIGNMENT AND TRANSFER

- 6.1. This LTV Mooring is personal to you and relates only to your Boat described in the application information.
- 6.2. The LTV Mooring may not be transferred or assigned to another person. You may not permit anyone else to use the mooring, even a new owner of the Boat. You may not use the mooring for a different vessel (either temporarily or permanently) without our express prior consent.

7. CHANGES OF PERSONAL INFORMATION AND CHANGES TO YOUR BOAT

- 7.1. You must tell us as soon as possible if any of the information on the LTV Application Form changes or you believe that it may change. We may require you to notify us of changes by completing an additional LTV Application Form.
- 7.2. In the event of the death of a LTV Licensee, the LTV mooring will end automatically with his/her death.

8. TERMINATION OF THE LTV MOORING

- 8.1. Without prejudice to any right or remedy available to us, we will be entitled to end this agreement immediately by notice to you if:
 - (a) you fail to pay in full any money owed to us by you, whether arising in connection with the LTV Period or otherwise, in any such case within 7 days of the date on which payment was due; or
 - (b) if you commit any breach of this agreement and that breach:
 - (i) is a breach of paragraph 6 of these Terms;

- (ii) is a breach that cannot be put right; or
 - (iii) is a breach that can be put right but after we have notified you of the breach and what you must do to put it right, you have not done so within the time we have set in our discretion (but not less than 7 days) for you to do so.
- (c) we have agreed (in our discretion) to issue this LTV mooring to you subject to a specific condition (whether because of a non-compliance during a previous LTV Period or otherwise) and given you a period of time to satisfy that specific condition, and you have failed satisfactorily to do so within the agreed timescale; or
- (d) any information or warranty given by you to us in connection with this LTV mooring was false or inaccurate in any respect when given, or has by reason of a change in circumstances, ceased to be accurate; or
- (e) any of the following events have occurred:
- (i) you have failed to provide evidence satisfactory to us of your insurance, having been asked so to do;
 - (ii) you no longer own the Boat;
 - (iii) we have begun a prosecution of you under the Harbour Rules for breach(es) of those Rules; or
 - (iv) you have committed a serious breach or persistent breaches (whether individually serious or not) of the Harbour Rules and we have given you warning that a prosecution will be considered by us if there are further breaches of such Rules by you; or
- (f) if you are unable to pay your debts or become insolvent or bankrupt, or make or propose to make an arrangement or composition with your creditors.
- 8.2 Either you or we will be entitled to end this agreement at any time by giving not less than 14 days notice in writing, save that such a notice given by you must not expire before the end of the Minimum Term.

9. REMOVAL OF THE BOAT AND LIEN

- 9.1. Subject to paragraph 9.2 below, when the LTV Period ends for whatever reason, you shall immediately remove your Boat from the mooring.
- 9.2. Paragraph 9.1 above does not apply if a renewal of the LTV mooring is granted by us to you in respect of your Boat to take effect immediately on conclusion of the previous LTV Period. If the new LTV Period requires you to move your Boat to a new location, you shall move your Boat to that new location by the date that we specify.
- 9.3. If you fail to remove your Boat at the end of this LTV Period, we shall be entitled to charge you at our overnight visitor's rate for a Boat of equivalent length on a similar type of mooring (meaning walk ashore or non-walk ashore) for each day between the end of this LTV Period and the actual date on which your Boat is removed from the Harbour. We may remove your Boat from the Harbour and secure it elsewhere at your risk (excluding only for loss or damage caused by our negligence or breach of duty during that removal). We may charge you for all costs reasonably arising out of that removal and/or storage, whether those are our costs or charged to us by third parties.
- 9.4. If we have told you that a new mooring has been offered to you for your Boat and you do not move it within the time that we have specified for such move then, without prejudice and in

addition to any other rights that we may have, we may at any time thereafter cause your Boat to be moved to the new mooring at your sole risk and expense (excluding only for loss or damage caused by our negligence or breach of duty during such removal) and shall be entitled to charge you for our services or those of third parties in doing so.

- 9.5. We reserve a general right (“a general lien”) to detain and hold onto your Boat or other property pending payment by you of any sums due to us. If the LTV Period is terminated or expires whilst we are exercising this right of detention we shall be entitled to charge you at our overnight visitor’s rate for a Boat of equivalent length on a similar type of mooring for each day between termination or expiry of the LTV Period and the actual date of payment (or provision of security) by you and removal of the Boat from the Harbour. You shall at any time be entitled to remove the Boat or other property upon providing proper security, for example a letter of guarantee from a bank or a cash deposit, sufficient to cover the debt with interest and where the debt is contested, a reasonable provision for our prospective legal costs.

10. COMMISSIONERS’ GENERAL OBLIGATIONS/NO OTHER LIABILITY OF COMMISSIONERS

- 10.1. Subject to paragraph 10.3 below, by granting a LTV mooring we agree to take all reasonable steps to maintain the pontoons or piles at which the mooring is situated in a reasonably good state of repair and usable condition.
- 10.2. Neither we, nor any individual Commissioner or any of our authorised officers or other employees, will be liable for any claim whatsoever arising out of or in connection with a grant or refusal to grant any LTV mooring or the implementation or enforcement of the provisions of the LTV Terms.
- 10.3. We shall not be deemed by these terms and conditions to have given to you any warranty or condition as to the maintenance by us of a sufficient (or any) depth of water at or at the approaches to the mooring.
- 10.4. We shall not be liable for any loss or damage caused by events or circumstances beyond our reasonable control (such as severe weather conditions, the actions of third parties not employed by us or any defect in a customer’s or third party’s property); this extends to loss or damage to Boats, gear, equipment or other property left with it for work or storage, and harm to persons entering the Harbour and/or using any facilities or equipment.

11. GENERAL PROVISIONS

- 11.1. Wherever a time is specified in these LTV Terms by which certain matters are required to be implemented, we may in our absolute discretion agree to an extension of that time in any particular case.
- 11.2. These LTV Terms are under constant review by us and may be changed at any time. We will notify you of any changes on our website and by posting a notice at the Harbour Office. We may also send you details by post or email, but shall not be obliged to do so.
- 11.3. **Notices:**
- (a) All documents and other written communications to be sent to you may be sent at our option by email (where we have an email address for you as part of the LTV Application Form) or by ordinary post to your address shown on the LTV Application Form, unless you have given us notice under clause 7.1 of a change of address.
 - (b) All documents and other written communications to be sent to us or required to be delivered to the Harbour Office should be sent by email to LTV@yarmouth-harbour.co.uk or by ordinary post or delivered by hand to the Harbour Office marked for the attention of the Administration Department.

- 11.4. In the event of any conflict between the terms of this agreement and the Harbour Rules, this agreement shall prevail, but if a rule expands the terms of this agreement or vice versa, both shall apply.
- 11.5. A person who is not a party to this agreement has no rights under the Contracts (Rights of Third Parties) Act 1999 to enforce any terms of this agreement.
- 11.6. This agreement shall be governed by English law and the parties submit to the exclusive jurisdiction of the English Courts.
- 11.7. None of your rights or obligations under the LTV Terms may be assigned, transferred, sub-contracted or otherwise disposed of in whole or part without our prior written consent. We may assign, transfer, sub-contract or otherwise dispose of all or any of our rights or obligations under this agreement by giving notice to you, provided that such a disposal of rights or obligations does not affect any of your rights or remedies under the LTV Mooring.
