**HARBOUR WORKS MON 16 MAY 2022**

Mariners are advised that works will be carried out in the area just South of the Yar bridge whilst the pontoon adjacent to Yarmouth Sailing club is replaced, (the new bridge waiting pontoon south). The work should be completed by the end of the day.

The works barge Walcon Wizard will be moored just North of the Yar Bridge, please navigate this area with caution.

Whilst we do not anticipate any restrictions to the bridge opening schedule, there may be some delays. Please call VHF CH68 call sign 'yar bridge'.
